Dear Capt (Retd) Rambahadur Pun

Town Mayor of Folkestone's Nominated Charities

I am delighted to advise you that The Worshipful Town Mayor of Folkestone, Councillor Abena Akuffo-Kelly, has chosen the 'Folkestone Nepalese Community' as one of three charities that she would like to support during her Year in Office as The Town Mayor of Folkestone for 2024/25.

During 2024/25, Councillor Akuffo-Kelly's Charity Committee will hold various fundraising events in order to raise money – further details of each event will follow nearer the time. We may ask for you to help with the advertising of the events and that you provide a display board/information at some of the events if possible. This will not only help to provide information to the guests on the charities they are supporting by attending, but also give you the opportunity to raise awareness of the activities undertaken by your charity.

We do hope that we are able to raise some funds for the 'Folkestone Nepalese Community' to help support the important role you play in the community. Should you have any queries regarding the events please do not hesitate to contact me on the number below or via email on georgina.wilson@folkestone-tc.gov.uk .

Yours sincerely

G Wilson
